

# Welcome to Reciprocal Borrowing

Need books your library doesn't own?

Don't want to pay a fee to use another library?

Is another library more convenient to where you live or work?

Now there's an option—RECIPROCAL BORROWING!

## WHAT IS RECIPROCAL BORROWING?

If you live in areas of Miami-Dade County served by the City of Hialeah Public Libraries, the Miami-Dade Public System, the North Miami Public Library, or the North Miami Beach Public Library, you can get a free card to borrow materials from these libraries.

## WHO IS ELIGIBLE?

Any resident of Hialeah, North Miami, North Miami Beach, or the Miami-Dade Public Library System taxing district can get a free library card. Residents of Bal Harbour, Bay Harbour Islands, Miami Shores, Opa Locka, and Surfside must pay an annual fee to use the participating libraries.

## HOW DO I GET A LIBRARY CARD

**@ Hialeah Public Libraries:**

Bring a photo ID and proof of current address to the library you want to use and fill out an application. Children 16 years old and under need parental authorization.

## WHAT RULES APPLY TO RECIPROCAL CARDS?

Users must obey all rules of the lending library. Materials **BORROWED FROM** one library system must be returned within same system. If not, overdue fines will accrue until they are returned to the lending library. Any monies due **MUST** be paid to the library system where the materials were borrowed.

*John F. Kennedy Library 190 West 49th Street, Hialeah, FL 33012 (305) 821-2700*

## FOR YOUR CONVENIENCE:

*Library staff can assist you by checking on-line catalogs, calling other libraries to check material availability, and asking the other library to hold the item for you.*
